Dear \_\_\_\_\_,

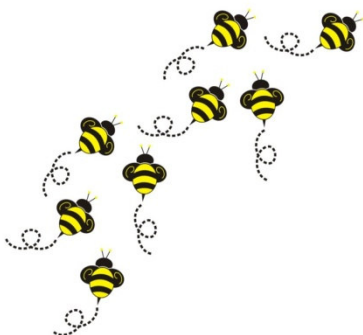

I am so glad you are going to "Bee" in my class, and I am very excited about school starting in August. I hope you are as well. My name is Mrs. Crow, and I will be your teacher. Mrs. Gordon and I are looking forward to learning all about you and how you spent your summer. We are so happy that you will be at Riviera Day School with us.

My family just returned from a trip to Universal Studios in Orlando. The Wizarding World of Harry Potter was definitely a HIT with my two boys. We had a blast exploring the theme park for the first time. My favorite thing however, was relaxing at the hotel pool. What was your favorite summer adventure?

I have been a very busy "bee" getting our classroom ready for you to come and visit. Please have Mom and/or Dad bring you to check it out on Friday, August 26th. We will start class the week of August 29th, but I want you to have a chance to BUZZ in before then and meet us, as well as, some of your new friends.

There are some items you will need on the first day of school to "Bee" prepared. I have included a list for you. Please bring them with you to Open House. I will have a special cubby just for you, where you can store everything! **Ask Mom or Dad to write your name on each item.**

I have also enclosed a flyer of important school dates for your parents. If there are any questions during the summer, please don't hesitate to contact me anytime. Please check out our class page on the school website ([www.RivieraUMC.org](http://www.RivieraUMC.org)). I have also set up a facebook page for our class and would welcome all to join (please email me and I can send you a link). I am a strong supporter of saving our trees and hope to communicate not only through our folders but, also online/email, as much as possible. My home number is 578-7649, cell is 488-8454, and email is k4rnr@yahoo.com.

Enjoy the rest of your summer! I will see you on August 26th!
