Hive Happenings...

Welcome to our Hive!

Mrs. Gordon and I are very excited about starting classes Aug. 29th/30th and we are honored that you have allowed us the opportunity to teach your child this year.

The first week of school we will be focusing on learning our classroom rules, working through transitions, and getting used to our daily schedule, as well as, getting to know all of our new friends.

Over the next few weeks, we will slowly introduce the basics of holding crayons properly, gluing, tracing, and cutting. We will show the children how to become self sufficient in many tasks. They will learn to pick up after themselves, follow directions and class rules, and to clean up any messes they make. Please help us by reinforcing these responsibilities at home.

We have a special project coming up in September. We will be celebrating the uniqueness of each child with an "All About Me" week. This will be a take home project and I will be sending home a separate sheet explaining it in more detail shortly.

Finally, I would like to THANK ALL OF YOU for being such involved parents. We are constantly blessed to have parents like you who are actively working on making your child's experience and schooling successful. We couldn't do it without you!

BUZZ!! Mrs. Crow
